Subject Index to Volume 12

PAGE

A

Abortion, Studies of Criminal Cases in Ontario 223
Accuracy of Breathalyzer When Operated by Police Personnel 444
Activation Analysis, Use in Determining Gunshot Firing Distance ..112, 471
Aircraft Accident Investigation, Explosively Produced Fractures and Fragments 247
Alcohol
  Acute Toxicity in the Dog 8
  Diffusion of Stomach Alcohol 463
  Significance of Heart Disease, Fatty Liver, Consumption of Barbiturate and Librium on Tolerance to 273
  Simultaneous Blood and Urine Concentration 454
Alcohol and Chloral Hydrate Metabolism in Man 295
Amitriptyline, Determination in Body Materials by UV Photometry 484
Asphyxial Death by Hanging 359

B

Barbiturate, Determination of Components of Tuinal 241
Barbiturate Consumption and Tolerance to Alcohol 273
Blind, Handwriting by 37
Blood and Urine Alcohol, Simultaneous Concentrations 454
Breathalyzer, Accuracy When Operated by Police Personnel 444
Bullet Hole Identification, Use of Neutron Activation Analysis 112, 471
Bullets, Effects of Temperature on Deformation After Passage Through Water 376

C

Cadavers, Intracranial Pressure Changes Following Impact 60
Calcium Oxalate, Demonstration in Kidneys in Poisoning by Ethylene Glycol 238
Carbon Monoxide, Determination of by Gas Chromatography 123
Carboxyhemoglobin in Postmortem Samples Using Gas Chromatography 529
Chemical Compositional Features of Human Vitreous Humor Obtained at Autopsy 214
Children, Death by Homicide 421
Chloral Hydrate Metabolism and Alcohol Use in Man 295
Competence, Relation to Drug Effects 431

PAGE

Corporeal Identification, Control of Procedures for 135
Court Clinics in Massachusetts 147
Criminal Abortion, Studies of Cases in Ontario 223

D

Death Due to Tear Gas Shell 383
Death from Asphyxia by Hanging 359
Deformation of Bullets After Passage Through Water, Effect of Temperature 376
Dermal Nitrate Test, Study of 19
Determination of
  Amitriptyline in Body Materials by UV Photometry 484
  Carbon Monoxide in Blood by Gas-Solid Chromatography 123
  Carboxyhemoglobin in Postmortem Samples Using Gas Chromatography 529
  Chloral Hydrate in Body Materials by Gas Chromatography 497
  Components of Tuinal in Blood 241
  Ethanol, Chloral Hydrate and Trichlororethanol in Blood by Gas Chromatography 295
  Glutethimide in Body Materials by Gas Chromatography 509
  Gunshot Firing Distance by Neutron Activation Analysis 112
  Malathion in Biological Materials 547
  Meprobamate in Body Materials by Gas Chromatography 230, 509
  Trichloroethanol in Body Materials by Gas Chromatography 497
Diagnostic Errors in Workmen's Compensation Medicine 387
Distribution of
  Glutethimide in Body Materials 509
  Meprobamate in Body Materials 509
Document Examination
  Handwriting by the Blind 37
  Involving Printed Matter 82
  Use of Optical Contrasters in 370
Drug Effects and Social Activity, Work Capacity, Responsibility and Competence 431

E

Ethanol, Effects of Fatty Liver, Barbiturate and Librium Consumption on Tolerance to 273
Ethylene Glycol Poisoning, Demonstration of Calcium Oxalate Crystals in Kidneys 238
Expert Witness, Role of the Psychiatrist 172
Explosions, Fractures and Fragments from 247

F

Fatty Liver and Tolerance to Alcohol 273
Firearms Identification, Comments on Discovery of Striation Matching .. 1

PAGE

G

Gas Chromatographic Determination of
Carbon Monoxide in Blood 123
Carbon Monoxide in Postmortem Blood 529
Chloral Hydrate in Body Materials 497
Glutethimide in Body Materials 509
Meprobamate in Body Materials 230, 509
Trichloroethanol in Body Materials 497
Genotyping, Rh–Hr and M–N–S for Exclusion of Paternity 77
Gunshot Firing Distance, Determination Using Neutron Activation Analysis 112, 471

H

Handwriting by the Blind 37
Handwriting Examination, Use of Perception in 102
Hanging, Asphyxial Deaths by 359
Head Wounds, Non-Lethal from Improper Ammunition 205
Heart Blood Alcohol and Diffusion of Stomach Alcohol 463
Heart Disease and Tolerance to Alcohol 273
Homicidal Death in Children 421

I

Identification of
Glutethimide in Body Materials by Gas Chromatography 509
LSD and Related Compounds by Infrared Photometry 538
Malathion in Biological Materials 547
Meprobamate in Body Materials by Gas Chromatography 509
Paraquat in Biological Materials 549
Seminal Fluid by Thin-Layer Chromatography 554
Suspects, Control of Procedures for 135
Improper Ammunition, Non-Lethal Head Wounds from 205
Infrared Identification of LSD and Related Compounds 538
Intermediate Targets, Effects upon Shotgun Patterns 193
Intracranial Pressure Changes in Cadaver Heads Following Impact 60

L

Legal Psychiatry in Court Clinics in Massachusetts 147
Legal Responsibilities and Liabilities of Psychiatrists 305
Librium Consumption and Tolerance to Alcohol 273
LSD and Related Compounds, Identification by Infrared Photometry 538

M

Malathion, Determination in Biological Materials 547
Marine Animals, Poisoning by 180
Massachusetts, Court Clinics, Legal Psychiatry and Criminal Justice 147

PAGE

Meprobamate, Determination in Body Materials by Gas Chromatography 230
Memorial for
Dr. Clarence W. Muehlberger.....(No. 1) vii
Dr. H. Ward Smith.....(No. 4) vii
Dr. Edward S. Zawadzki.....(No. 3) vii
Mercury Poisoning, Case Report..... 68
Metals, Fractures and Fragments by Explosions..... 247
Muehlberger, Dr. Clarence W., Memorial for .....(No. 1) vii

N

Neutron Activation Analysis
Use in Bullet Hole Identification.....112, 471
Use in Determining Gunshot Firing Distance.....112, 471

O

Optical Contrasters, Use in Document Examination..... 370

P

Paraffin Test, Study of..... 19
Paraquat, Identification in Biological Materials..... 549
Paternity, Exclusion by Rh–Hr and M–N–S Genotyping..... 77
Pediatric Forensic Pathology, Homicide..... 421
Perception, Use in Handwriting Identification..... 102
Poisoning by
Ethylene Glycol, Demonstration of Calcium Oxalate Crystals in Kidneys 238
Mercury 60
Poisonous Marine Animals..... 180
Printed Matter in Questioned Document Examination..... 82
Printing Processes and Document Examination..... 82
Psychiatric Responsibility, Tort Liability and..... 305
Psychiatrists, Role as Expert Witnesses..... 172

Q

Questioned Document Examinations
Involving Handwriting by the Blind..... 37
Involving Printed Matter..... 82
Use of Optical Contrasters in..... 370

R

Responsibility, Relation to Drug Effects..... 431
Rh–Hr and M–N–S Genotyping for Exclusion of Paternity..... 77

PAGE

S

Seminal Fluid, Identification by Thin-Layer Chromatography..... 554
Shotgun Patterns, Influence of Intermediate Targets..... 193
Smith, Dr. H. Ward, Memorial for.....(No. 4) vii
Social Activity, Relation to Drug Effects..... 431
Striation Matching, Comments on Discovery..... 1
Stomach Alcohol, Diffusion of..... 463

T

Tear Gas Shell, Death from..... 383
Tort Liability and Psychiatric Responsibility..... 305
Toxicity of Ethanol in the Dog..... 8
Tuinal, Determination of Components in Blood..... 241

U

Urine and Blood Alcohol Simultaneous Concentrations..... 454

V

Vitreous Humor, Human Postmortem Chemistry..... 214

W

Work Capacity, Relation to Drug Effects..... 431
Workmen's Compensation Medicine, Diagnostic Errors in..... 387

Z

Zawadzki, Dr. Edward S., Memorial for.....(No. 3) vii
